## STUDENT TUITION RECOVERY FUND

---

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

## CANCELLATION AND REFUND POLICY

---

### STUDENTS RIGHT TO CANCEL

---

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

Cancellation occurs when you give written notice of cancellation at CEN Beauty Academy's address. You can do this by mail, or in person. The notice, if mailed is effective by postmark date. This notice need not take any particular form; it needs only to state that you wish to cancel this agreement. If you cancel this agreement, CEN Beauty Academy LLC will refund any money that you paid, less any deductions for kit and registration, within 45 days after receipt of the cancellation notice.

**WITHDRAWAL FROM COURSE:** The institutional refund policy for students who have completed 60 percent or less of the course of instruction shall be a pro rata refund. You have the right to withdraw from the course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation, you are obligated to pay for the scheduled educational hours, for the registration and STRF fee, equipment/kit. The school will remit a refund within 45 days following your withdrawal.

### REFUND POLICY

---

The student has the right to withdraw from a program of study at any time and pay only for tuition reflective the amount of time the student was enrolled. If the student withdraws prior to completion of the Program of study in which she/he is enrolled the Academy determines whether the student is eligible for a refund of monies paid based on a pro-rata calculation formula. Once more than 60 percent of the enrollment period in the entire course has elapsed (including absences), there will be no refund to the student; the Academy shall have earned and will retain 100 percent of the institutional charges assessed to the student. A hypothetical refund example according to the state pro rata policy is provided to the student as follows: Assume a student, upon enrollment in a 1,600-hour Program, pays \$8,900.00 (= \$5.56/hour) for tuition, \$100.00 for registration, and \$1,100.00 for supplies as specified in an enrollment agreement and was enrolled 600 hours ( $600 \times \$5.56 = \$3,336.00$ ) at the time of withdrawal, without returning supplies she/he obtained. The pro rata refund to the student would be \$5,464.00 ( $\$8,900.00 - \$3,336.00 = \$5,564.00$ ). Registration fee \$100.00 and supplies/kit are non-refundable. ( $\$5564.00 - \$100 = \$5464.00$ )
